

Want to have fun like a **G.I.R.L.**?

Come see what Girl Scouts is all about and discover all the fun we can have together! Learn about sports and careers, sample the arts, explore the sciences and travel the world! With us, you'll make a bunch of friends, learn how exciting life is and have a ton of adventures over and over again!

Any girl in grades K-12 can join the fun at Girl Scouts. Whether you want to be part of a troop, sign up for exciting series or events, explore the outdoors or travel the world, each age level has something for you.

Girl Scouts is a great value! Membership starts at just \$25. Of course, we don't want this to be a barrier, so don't hesitate to ask us about financial assistance.

This is non-school material that is neither endorsed nor sponsored by the school system.
