# Coupon Gurus Part 2

## TUESDAY, MAY 23 | 3PM-4PM

Make the most of your money! The economy has us all looking at ways to save money. One of the easiest and quickest ways is clipping coupons. This class will show you how to save on multiple items, the best days to shop and how to combine your coupon with other savings. We want you to get the most bang for your buck.

The instructors for this class are India Martin and Aliyah Evans. India been doing extreme couponing for the past two years. India has a small son and saves regularly on diapers, wipes and laundry detergent just to name a few items. Aliyah is attending college and has been couponing for some time as well. Come out and learn the quick and easy techniques that will make a difference in your pocket and have you smiling all the way home.
